

WARNING: READ THE ASSEMBLING INSTRUCTIONS CAREFULLY BEFORE ASSEMBLING THE WALL MOUNTED SPECTATOR SEATING.

Make sure to wear protective gloves and foot protection when installing and assembling this product. Unpack the unit and make sure all the components are included before proceeding. This activity requires two or more people as lifting is involved. Please ensure bolts are only finger tightened during the assembling process for flexibility in lining up components. Securely tighten the bolts before anchoring the product to the ground.
